

15 February 2024

PARTIAL CLOSURE OF TOWER ROAD FROM 21 FEB - 4 MARCH

Dear Customers,

For safety reasons and to ensure the new stormwater system is completed efficiently amid ongoing weather impacts, we have decided to close part of Tower Road to all non-essential traffic.

Tower Road will be closed between Murray Jones Drive and Rabaul Road from 6am Wednesday 21st February to 6am Monday 4 March. Traffic controls will be in place to divert all non-essential traffic during this time.

Customers with sites on this part of Tower Road or who require essential access will be exempted from the road closure. Please advise traffic control officers accordingly.

While the road remains open to some customers, we encourage everyone to use alternative routes if possible.

We appreciate that such road closures are disruptive and apologise for any inconvenience. Closing the road for this period will enable us to carry out upgrade works as efficiently as possible and reduce the need for future intermittent closures.

Thank you for your cooperation and patience. Please drive carefully and take precautions during the works.

Please do not hesitate to contact your property manager or our Senior Communications & Stakeholder Engagement Manager Peter Munro (peter.munro@aeria.co) if you have any queries.

Kind regards,
Aeria Management Group
