## AIRSIDE PAVEMENTS UPGRADE: Stages F and G

Our major upgrade of airside pavements at Bankstown Airport is reaching its final stages, following the successful completion of several significant elements of the works.

### Stage F nightworks to commence 12 March 2024

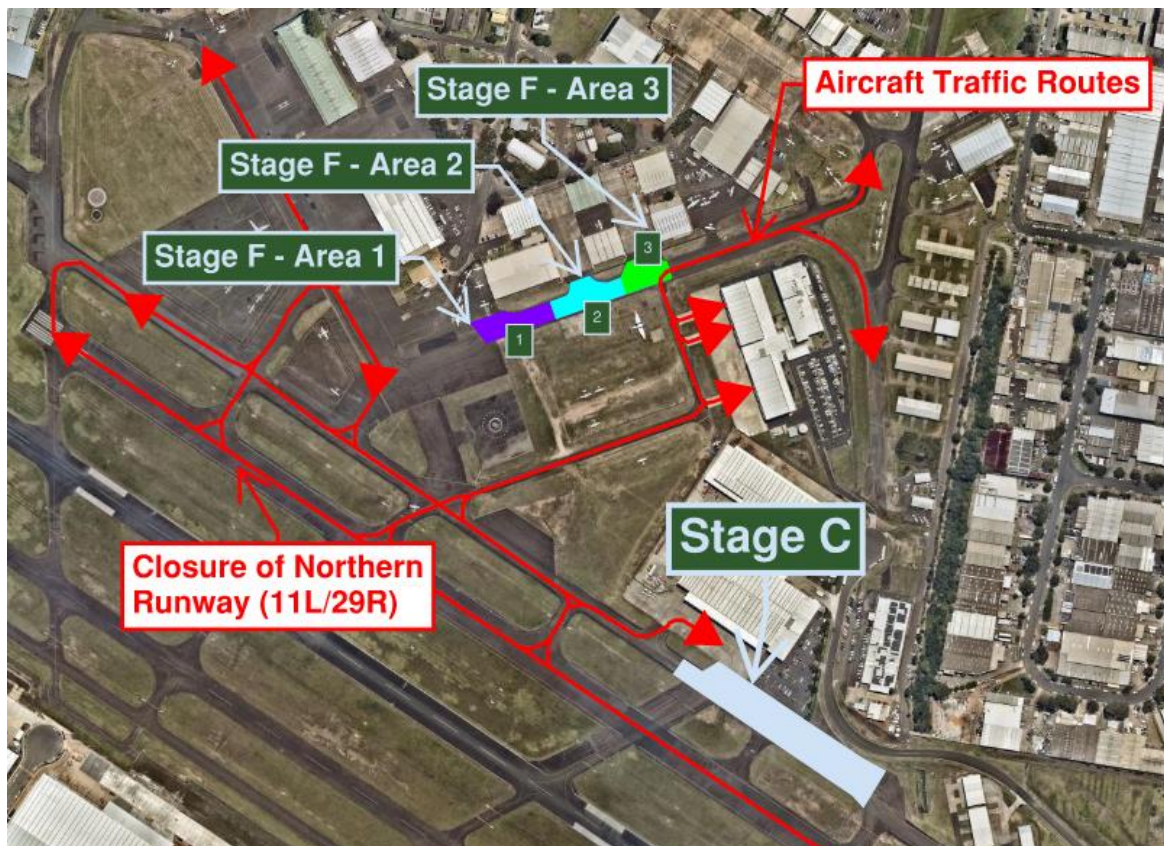

Stage F nightworks are scheduled from Tuesday 12 March to Friday 15 March 2024.

These works require the partial closing of sections of Taxiway L, as follows:

- Area 1 (Marked in purple on the map below): 5pm Tuesday 12 March to 6am Wednesday 13 March
- Area 2 (Blue): 5pm Wednesday 13 March to 6am Thursday 14 March
- Area 3 (Green): 8pm Thursday 14 March to 6am Friday 15 March

Taxiways M1 and M may be provided as alternative routes for aircraft during these works.

Separately, Stage C works are ongoing. During these works, the Northern Runway (11L/29R) will remain closed and Taxiway Alpha partially closed between Alpha 6 and Alpha 7. Runways Centre (11C/29C) and South (11R/29L) remain open.

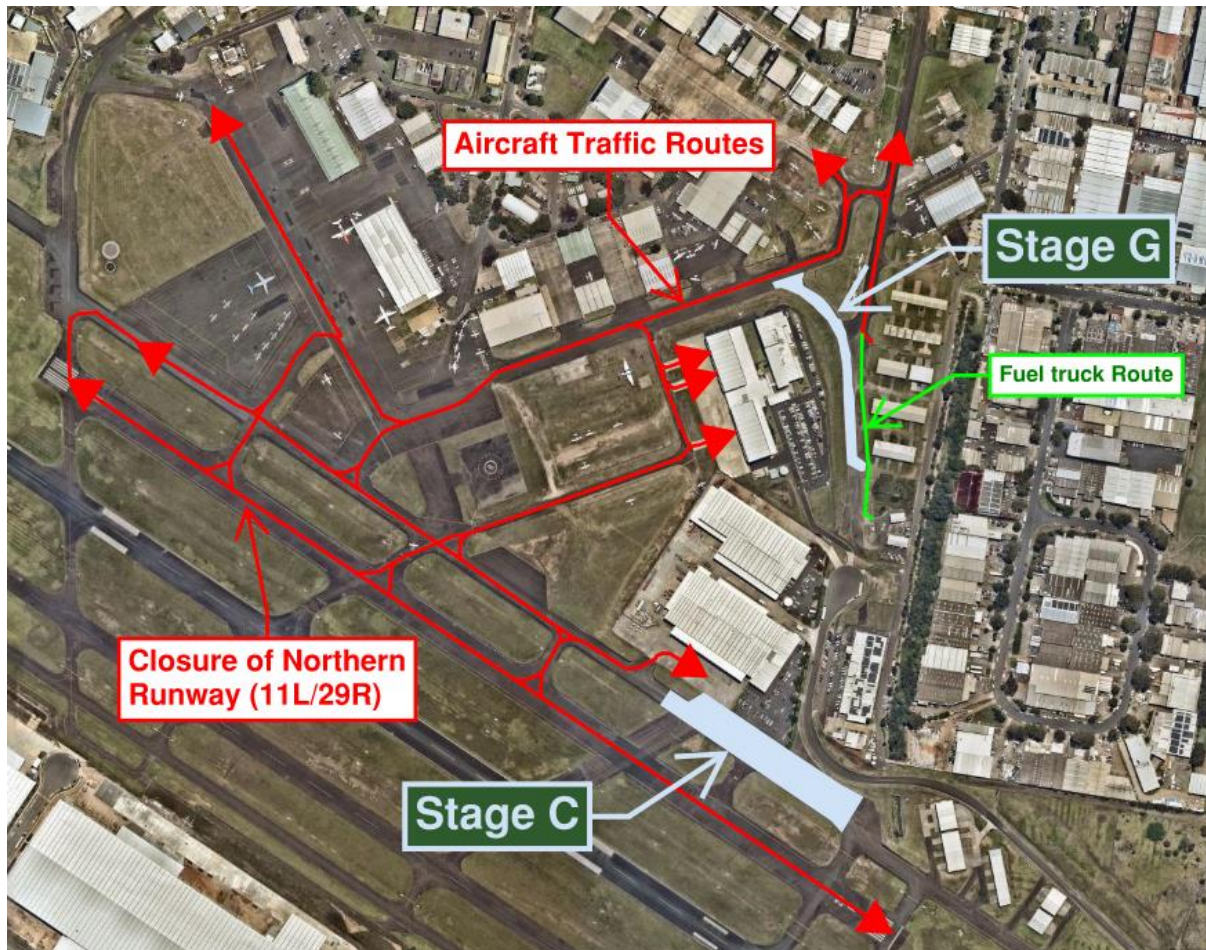

Stage G to commence 18 March 2024

Stage G works are scheduled from Monday 18 March to Wednesday 20 March 2024.

Taxiway P will be closed during these works, as marked on the map below. Alternative aircraft routes are also marked on the map below.

Separately, Stage C works are ongoing. The Northern Runway 11L/29R will remain closed and Taxiway Alpha partially closed between Alpha 6 and Alpha 7 during these works. Runways Centre (11C/29C) and South (11R/29L) remain open.

For aviation-related queries regarding Stage F and G works, please contact Aviation Operations Manager Brett McCartney on 0492 864 868. For any broader queries, please contact your key AMG Property representative or email [PavementProject@aeria.co](mailto:PavementProject@aeria.co).

We appreciate your cooperation and patience while we complete this important and necessary work to improve the safety and conditions of Bankstown Airport.
