1. Explain the need for frequent unescorted access and the type of work to be undertaken airside.

2. State the airside area in which you intend to operate your vehicle.

3. RELEASE AND INDEMNIFICATION

- In consideration of being granted an Authority to Use Airside (AUA) in accordance with this application, the applicant agrees to release and indemnify Bankstown Airport Pty Limited (BAPL), its officers and employees and any persons providing assistance to BAPL/CAPL in relation to all claims for damage to the vehicle in moving the vehicle should it become immobilised on the movement area.
- I, the applicant, have personally read the Airside Vehicle Control Handbook (AVCH) and agree to fulfil all the requirements for vehicle operators as set out in this booklet.
- I, the Applicant, as the vehicle operator, undertake to ensure that the vehicle is operated in accordance with the AVCH.
- I, the applicant, confirm that this vehicle is fitted with an amber rotating or flashing beacon with 360° visibility.
- I confirm that if the vehicle is used for business purposes, the vehicle will display company logos.
