COMMUNITY ENGAGEMENT STANDARD

- Airservices Australia has community obligations when planning and implementing changes to flight paths. These include:
 - minimise the impact of aircraft operations on communities where practicable
 - undertake effective community engagement
 - inform the community of the development and implementation of significant changes to air navigation.
- To fulfill to these obligations and ensure best-practice community engagement on flight path and airspace changes, Airservices Australia is developing a new national Community Engagement Standard.
- Consultation completed 3 May – 23 June (c. 560 people engaged in the process with 4,000 hits on our Engage page)
- Incorporating feedback and plan to publish this month (Aug 2023)
