

Camden Airport stormwater upgrades - revised dates for taxiway closures

Airside stormwater upgrade works started on Monday 5 February 2024, as part of our major upgrade to the stormwater infrastructure and car park at Camden Airport.

Unfortunately, inclement weather last week has caused minor delays to the works, including the culvert install across Taxiway Delta and the apron to the taxiway from hangars 740, 756, 765, 723 and 722.

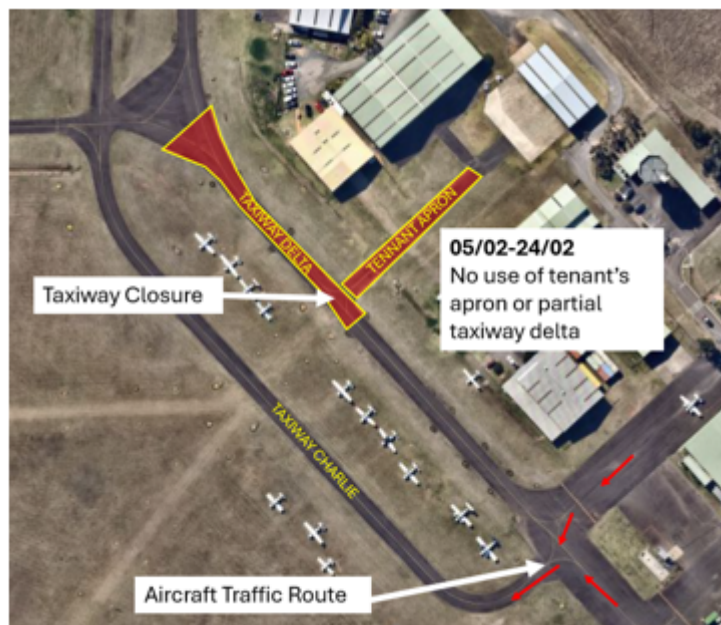

The new closure dates for taxiways Delta, Charlie and the apron are below, along with details of alternative access routes to minimise inconvenience.

We are endeavouring to complete the works as efficiently as possible, weather permitting, and appreciate your patience.

DATES	TAXIWAY
5-24 February	Partial closure of Taxiway Delta Closure of apron to Taxiway Delta from Hangars 740, 756, 765, 723 and 722
25 February – 4 March	Partial closure only of Taxiway Delta
9 March – 3 April	Partial closure of Taxiway Charlie

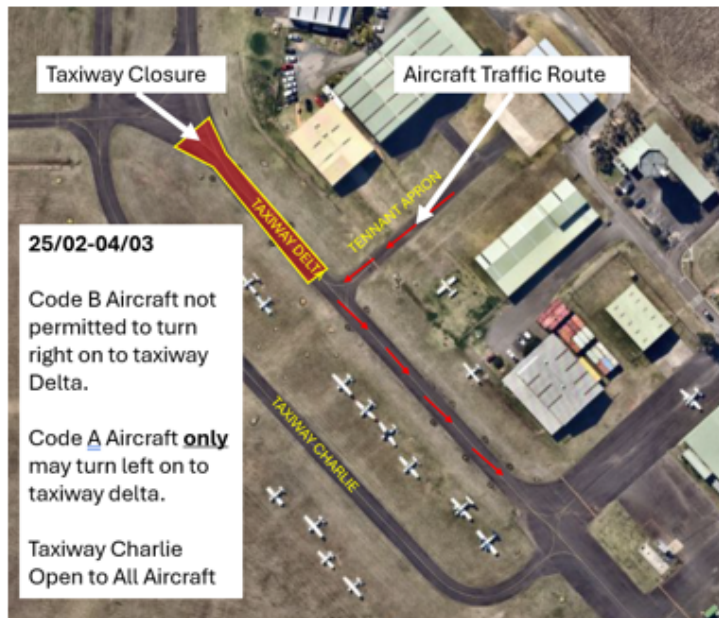

Alternate access 5-24 February

During partial closure of Taxiway Delta and closure of the apron from hangars 740, 756, 765, 723 and 722

Alternate access 25 February- 4 March

During ongoing partial closure of Taxiway Delta

Alternate access 9 March - 3 April

During partial closure of Taxiway Charlie

Project Updates

We will continue to provide regular updates during the works, via email and our website:
