NCIS UPDATE

2021 YEAR IN REVIEW

COMPLAINANTS

- 43 individual complainants
- 76 complaints
- An increase from 12 individual complainants in 2020 and 2019
- COVID-19 effected both complainant activity and movement numbers across Australia
 - Working from home and increased exposure to aircraft noise
 - Training organisations not subject to restrictions
 - Noisier aircraft operating at the airport

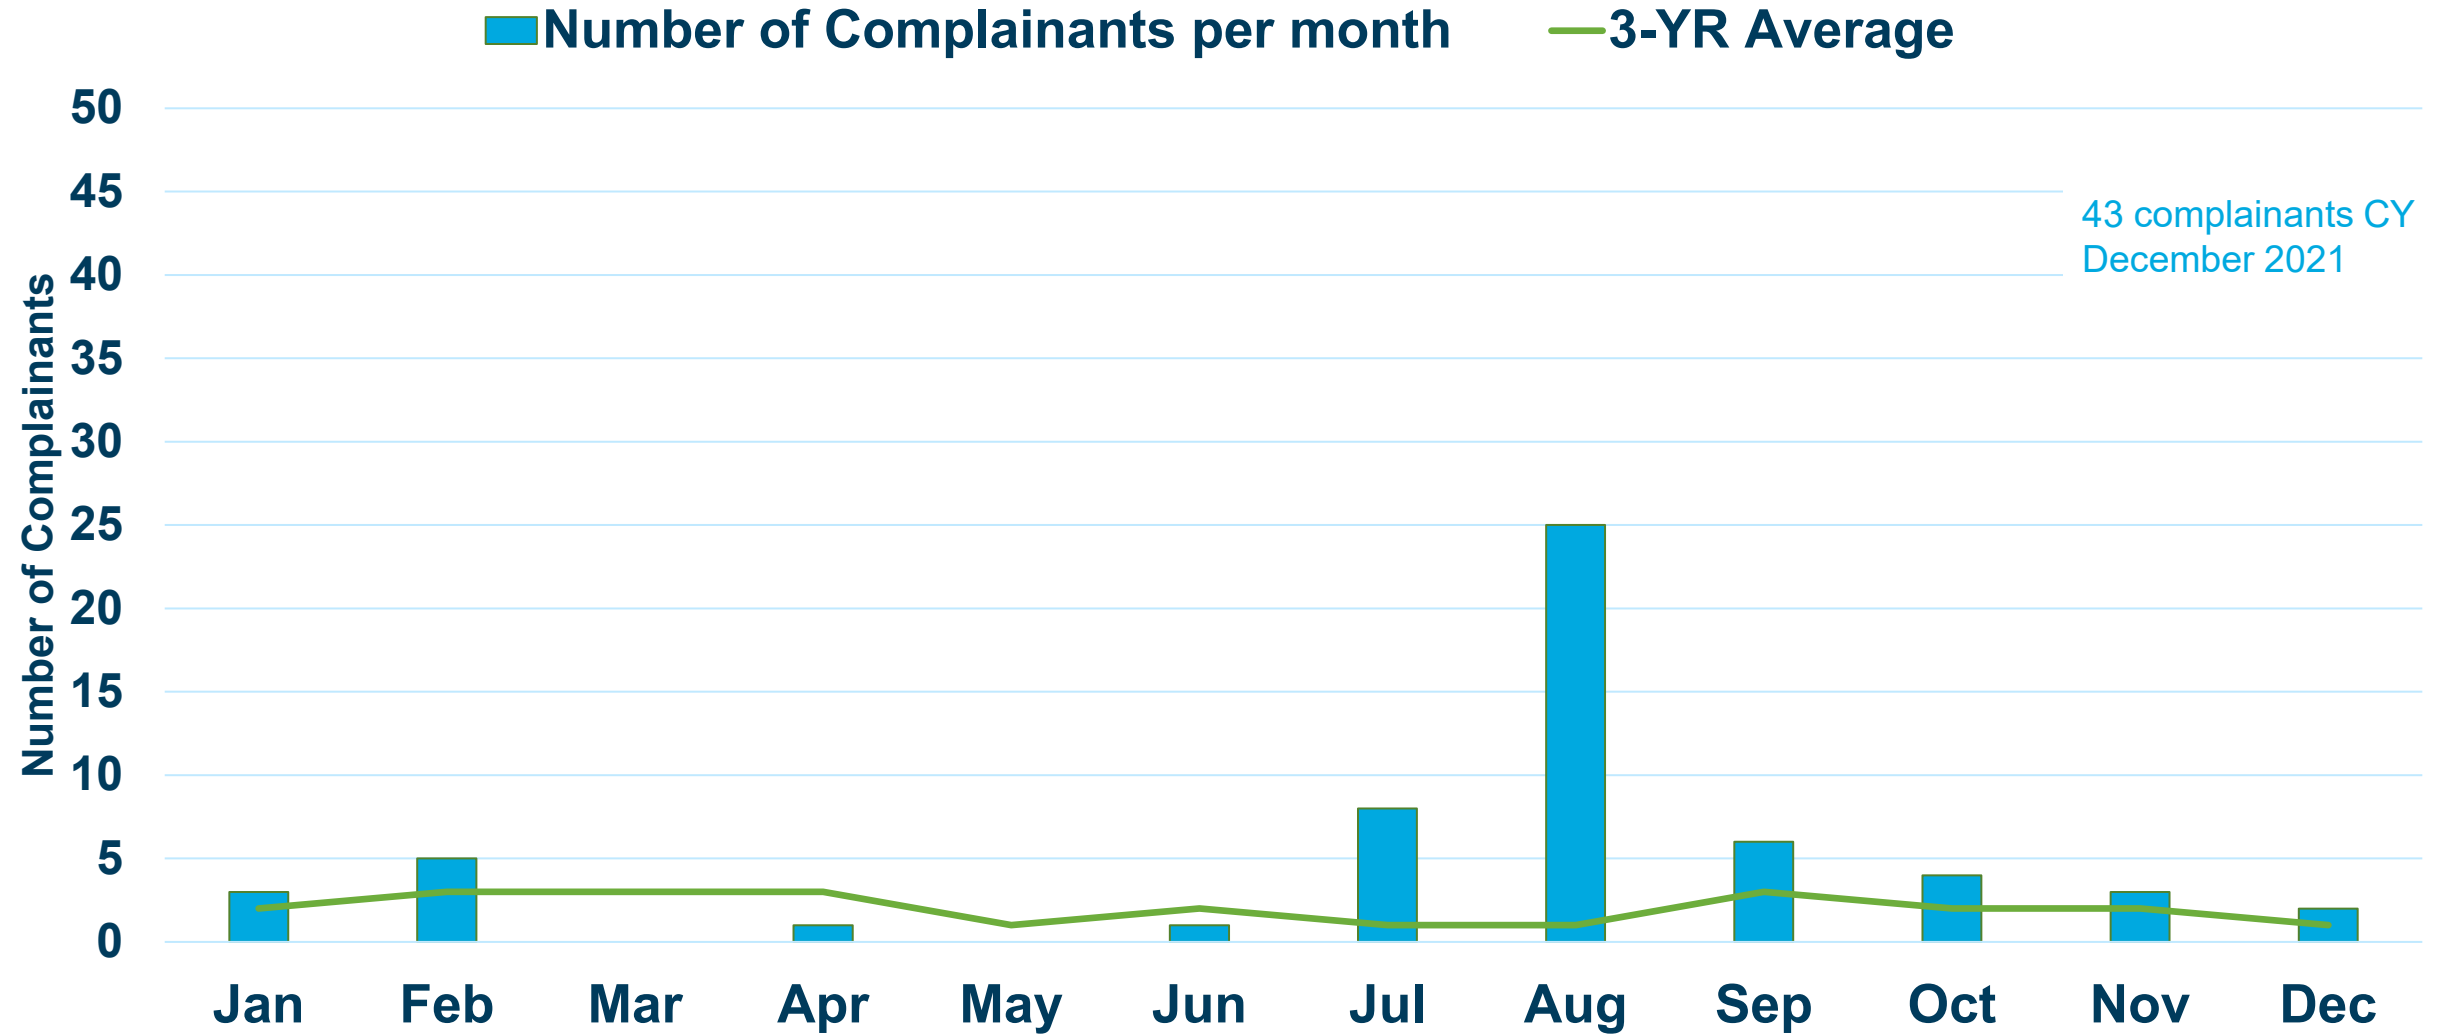

ISSUES

- Two issues:
 - **Training:** affected 29 complainants, circuit training disturbed all complainants, all except one was fixed wing circuit training, the other was helicopter circuit training
 - Several complainants advised it was CT-4 operations that were disturbing them
 - **General Aviation traffic:** affected eight complainants, four concerned with standard flight routes to and from the airport, four with surveys further afield by aircraft out of Camden

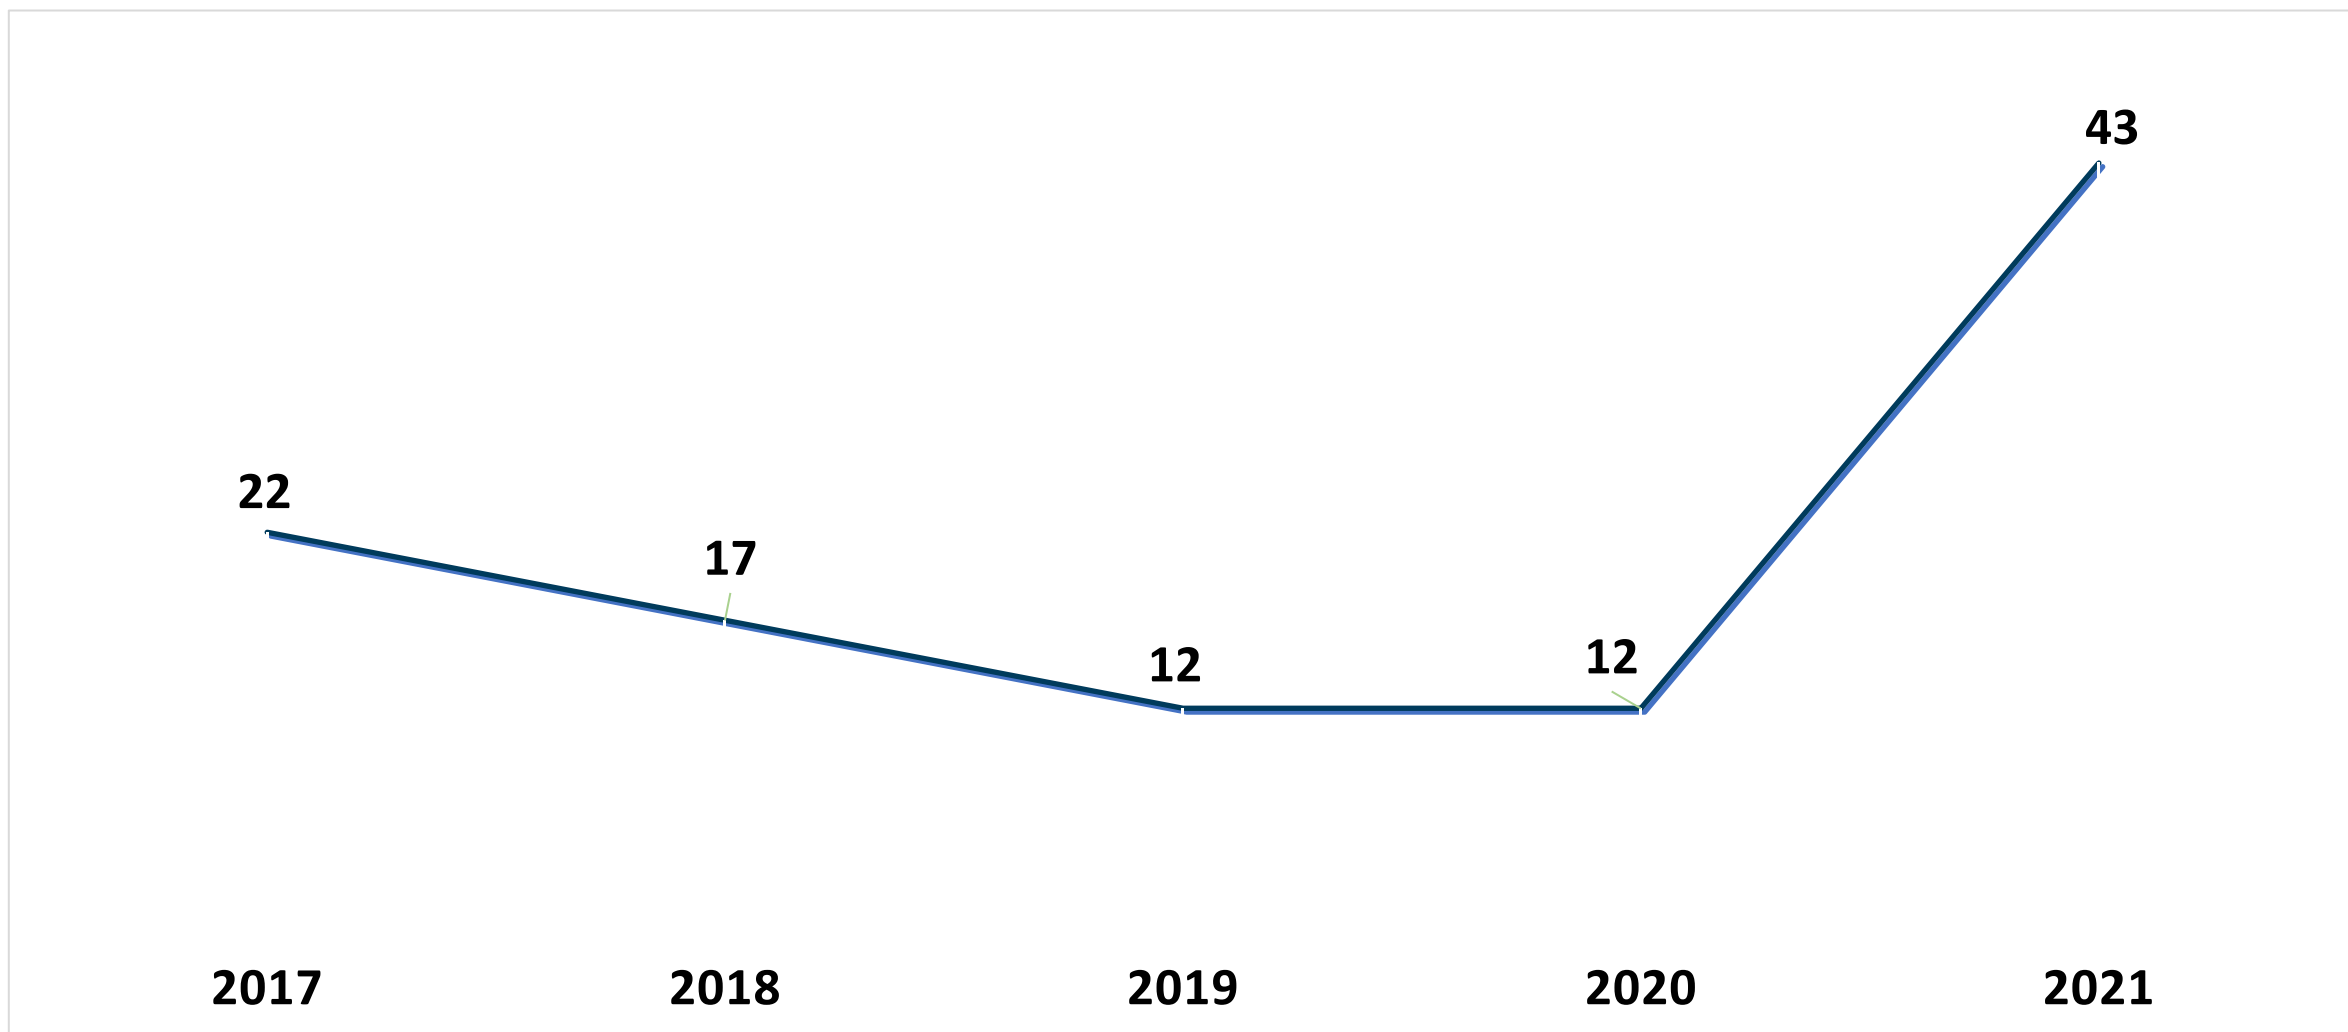

SUBURBS

- 15 separate suburbs recorded complainants
- 10 suburbs recorded a single complainant
- Suburbs with most complainants remain
 - Cobbitty (13)
 - Ellis Lane (13)
