

STAGE 3 TO COMMENCE 24 AUGUST

Bankstown
Airport

AERIA

CONSTRUCTION START NOTICE Tower Road Upgrade

STAGE 3
24 AUGUST 2023

Enhancing safety, accessibility and amenity at Bankstown Airport

Work is underway on the upgrade of Tower Road/Link Road to improve safety, accessibility and amenity, including:

- 117 new designated parking bays and 5 new disabled parking bays
- New footpaths for pedestrians and cyclists
- New road pavement with new landscaping, kerbs and gutters
- Improved street lighting and security, including new security cameras.
- Improved drainage systems
- Upgrades to other key utility services, including communications, electrical pits and ducts.

Stage 3 Early Works

Stage 3 early works will commence 24 August 2023 and be completed by 28 August 2023, subject to weather.

The works include:

- Clearing of trees and vegetation in new car park areas along Tower Road
- Works will be carried out between 7am and 5pm. Traffic management measures will be in place during these times, including reduced parking in the works areas.
- Access for vehicles and right-of-way for emergency vehicles will be maintained at all times with contraflow traffic in each stage.

Staging of works:

- Works will be undertaken in three stages to minimise inconvenience. The stages are marked in the staging plan below.

Planned Stage 3 Early Works
